

SPIRITUAL LIFE SURVEY

BEING REAL WITH WHERE WE ARE

One of our top priorities at Bodenseehof is to provide a supportive environment which gives every student the opportunity to move forward and grow in their walk with the Lord. We want to best minister to the needs of our students; hence we take your needs seriously and seek to address them as much as we can during the school year. In an effort to better understand and pastor you, it helps us to know as much as possible about your walk with the Lord.

Please answer the following questions honestly and anonymously. Please answer each question in paragraph form (ca. 100-120 words).

1. Do you have the assurance that you are indeed a Christian? In other words, do you know the assurance of your salvation?
2. What has been your greatest frustration in your walk with the Lord up to this time?
3. Is there an area of your life that you seem to struggle with intensely and have not been able to experience victory? Scripture speaks of the "sin which so easily entangles us" (Heb. 12:1). What would that be in your life?
4. What has been your experience of church and in particular the pastoral care in the church?
5. What place does personal Bible reading play in your everyday life? How would you describe your knowledge of the Bible?
6. In what ways do you desire to grow/change in your relationship to the Lord during these 6 months?
7. Where do you see your spiritual gift and do you have a passion/dream as to how the Lord may want to use your life?
8. What are three issues for which you have no satisfactory answer concerning the Christian life?
